

Lundy Field Society Polo Shirts

Many members who attended the Discover Lundy activity week last year were seen sporting LFS polo shirts. Now you can join them!

Polo shirts are available in a variety of colours and the three most popular colours are listed on the order form below, but others are available. We have an arrangement with the supplier who will produce the shirts to order and post them directly to you. Please contact them directly if you are interested in other colours.

Polo shirts are embroidered with the Society's logo and strapline (as seen above) in dark red on the left breast and cost **only £16.90** each including postage and packaging.

Please complete the order form below and send a cheque with your order. Questions and queries can be sent to paul@logostowear.co.uk or by phone on 07951 479889.
